LaMa

LAMA LOSS PREVENTION ANALYTICS (LPA)

From Prevention to Protection, We've Got You Covered 24/7.

Protecting Your Business, Every Second of Every Day.

Smart Security. Real Savings. Real Protection.

Why LPA?

LaMa's LPA gives you real-time visibility and proof-backed insights to detect theft, errors, and shrink before they impact profits.

By analyzing video and transactional data, it delivers early detection, prevention, and investigation, all in one cloud-based platform.

Reduce Shrink

24/7

Monitor Stores

Our Impact So Far:

Saved \$5M+ from theft, fraud & errors.

Recognized & rewarded top-performing employees.

Improved customer experience & service.

Detected and stopped suspicious activities early.

Our Objective

We help you minimize loss, enhance safety, and maintain operational continuity.

Our Core Features:

Automatic Video Alerts

LPA flags high-risk transactions like no-sales, returns, and voids to catch potential theft early.

Stop Shrink Fast

Review flagged footage and filter by date, location, employee, item, or transaction to prevent losses

Monitor Anywhere

Access real-time store footage from the back-office or on-the-go via the cloud with the CStoreOffice mobile app.

Pre-Enrollment Site Check

Before activation, our camera technician will inspect your setup for quality and coverage:

- Review camera quality & coverage
- Verify storage & remote access
- Recommend upgrades if needed

(Camera installations billed separately)

Service Terms:

- **Special Offer:** \$200/month subscription
- **Cancellation:** 1-month notice required
- **Theft Bonus:** \$100 detection reward if theft confirmed
- **Daily Reports:** Sent every morning
- **Operating Hours:** Must be provided for monitoring

LPA uncovers the hidden corners of your operations, showing exactly where losses happen so you can act fast and keep profits in your pocket.
